

Meet your new deskmate

MOO meets H2O with the new MOO water bottle. It has all the features you could want in a water bottle plus some that you didn't even think of. With three customization options you can stay on brand while staying hydrated.

Features

- **Customization**
Customize it your way with one-sided engraving, one-sided printing, or 360 wrap printing.
- **Stays on brand**
Add your brand's logo, illustrations, tagline, mascot and more.
- **Has good taste**
The inside's lined with stainless steel, so your water tastes of... water. Which is refreshing.
- **Never slips up**
The non-slip base and leak-proof lid mean neighbouring keyboards need not fear it.
- **Is happy to travel**
The swing handle makes your bottle easy to carry, even when you're loaded down with stuff
