

# Eco Range

For large orders, big events and smaller environmental impacts. The Eco range of paper comes in four sizes, two weights and is exclusively available with a MOO Business Plan. It's an uncoated, 100% recycled paper for businesses who want to reduce environmental impacts – without sacrificing quality.

## Product Features

A tactile and premium recycled paper, available in sturdy Postcards or lightweight Flyers. Eco prints in super sharp detail, using water-based inks.

### Sustainable

Made with 100% post-consumer recycled paper and 100% recyclable.

### Fully Recycleable

Uses water-based inks so these squares and rectangles are completely circular.

### Made with Windpower

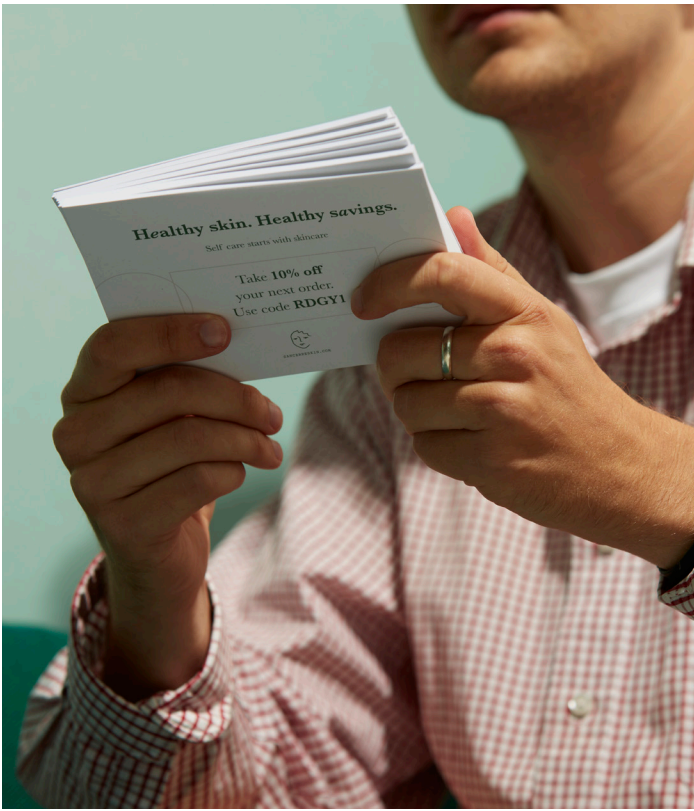

All electricity used to make this paper is matched with renewable energy credits from Green-e certified windpower projects.

### Cost Effective

Our most affordable option, for bulk orders of 1500+.
