

Meet your cool new workmate

The MOO Bottle is here to help
your ideas flow

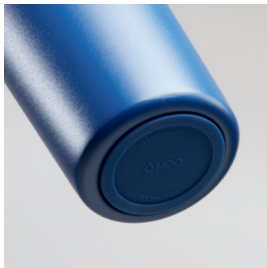

IT WORKS LONG HOURS

It's triple-walled to keep your drinks up to 24 hours cool, 12 hours hot.

IT COMMUTES WELL

The swing handle makes it easy to carry, and it fits your car's cup holder, too.

IT NEVER SLIPS UP

The non-slip base and leak-proof lid mean your desk (and bag) stay dry.

IT HAS GOOD TASTE

The inside's lined with stainless steel, so you taste the water, not the bottle.

IT STAYS ON BRAND

Customize it with your logo, colors, tagline, mascot – however you like it.

And it starts work soon at moo.com
